# Handcrafted Artisanal Beer

## Bear Beer

(16 oz) \$4.00  
Hopped with a combination of Horizon and Falconer's Flight 7C's, one bringing a gentle hop bitterness, the other a wallop of citrus, both flavors welcomed.

## Sweet Tooth

(16 oz) \$4.00  
The point at which the worlds of Amber and Pale collide. This hop forward offering is brewed on a solid foundation of Pale, Caramel, Chocolate and Munich malts.

## Black Bear

(16 oz) \$5.00  
Rye malt contributes some spicy yet earthy flavor to this crossbreed of a beer. Chinook hops step up and balance it out with subtle pine and grapefruit tones.

## Out of Hibernation

(16 oz) \$4.00  
Two of the worlds best merge, as Ale and Java become one. Each sip brings forth a velvety smooth blend of cocoa, coffee and cream. Good morning!

## Grizzly Bear

(16 oz) \$4.00  
Resting upon three wheels pointing in different stylistic directions sits one hybrid of an ale. While wheel number one spins toward a cream ale, another approaches a wheat, and yet a third rolls near a pale ale. Ride On!

## American Brown Bear

(16 oz) \$4.00  
Brewed with a blend of 7 grains including wheat, oats, caramel and chocolate malts. Lightly hopped with Pacific NW goodness. Forced to describe in one word? We go with smooooooth.

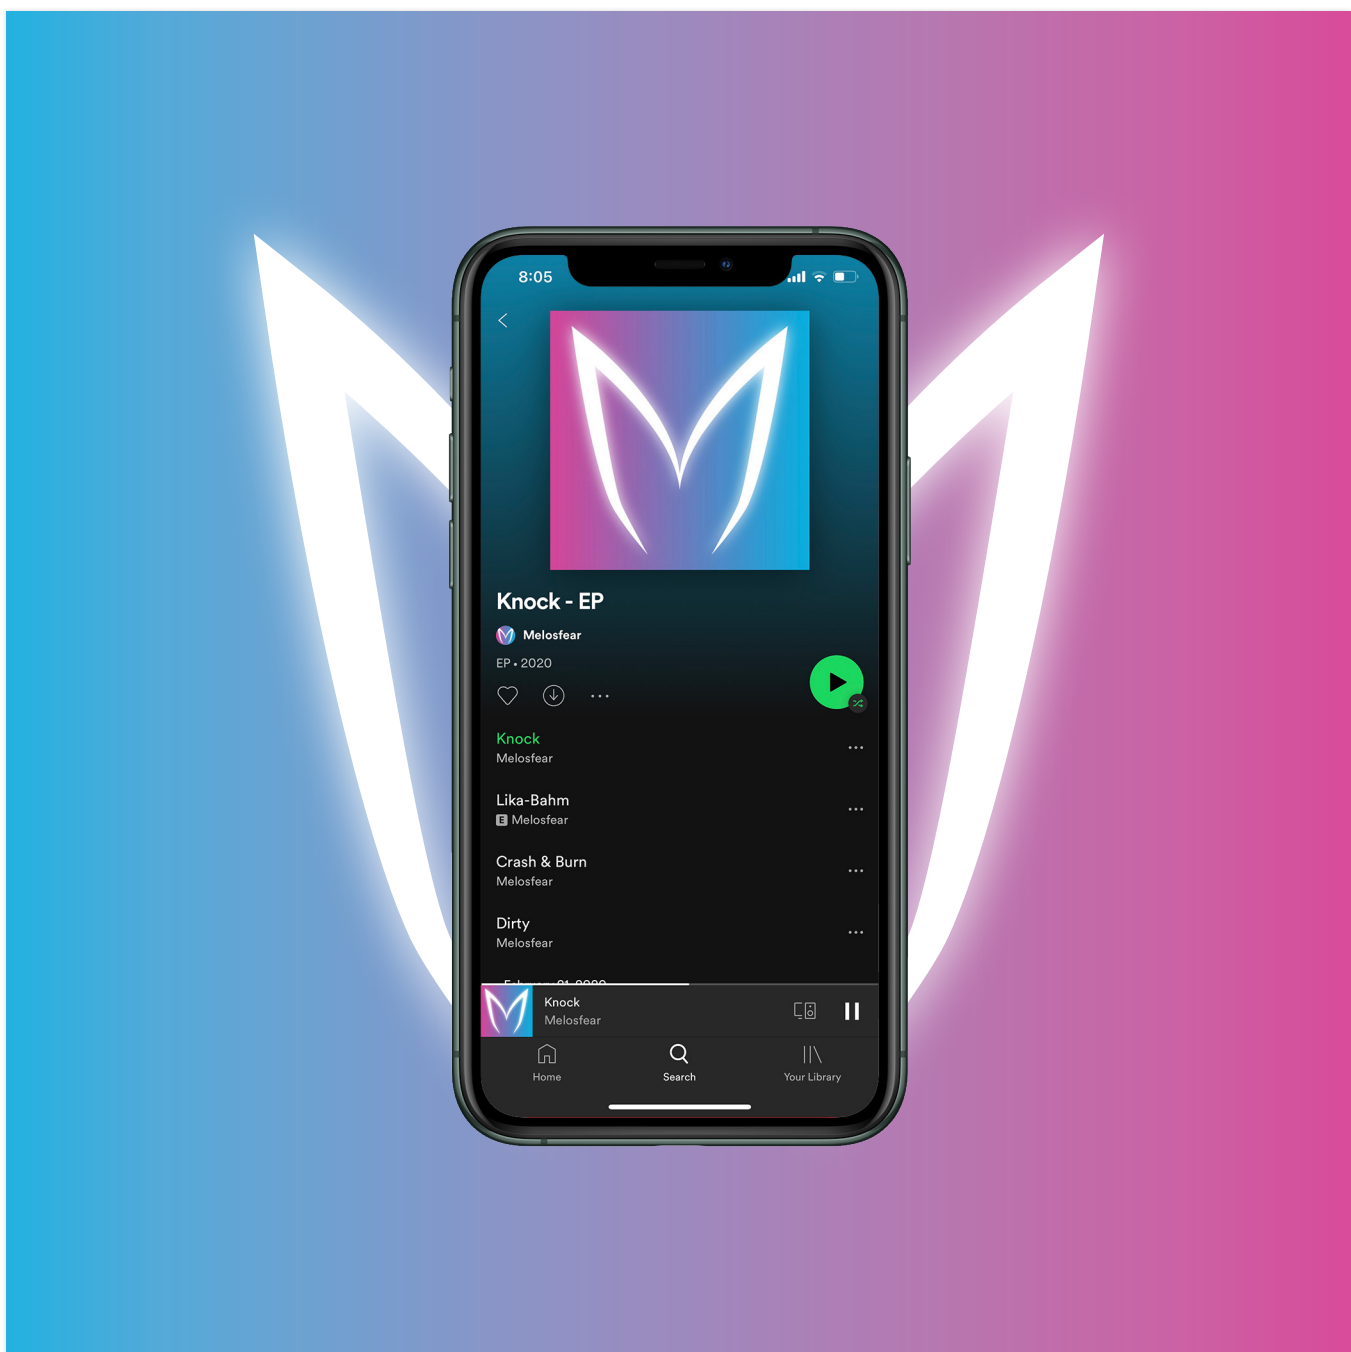

## The Three Bears

(16 oz) \$4.00  
Dark roasted coffee and semi-sweet chocolate work together in this creamy, medium bodied beer. A classic stout brewed with flaked oatmeal, black barley, and two chocolate malt varieties.

## Coco Coffee Bear Beer

(16 oz) \$5.00  
Dark roasted malts with hints of chocolate and coffee go blow for blow with an assertive American hop profile in search of control of this unique beers flavor.
